About

The MY 6G SUMMIT invites poster submissions showcasing fresh results, visionary concepts, demos, and works-in-progress across the 6G stack. Whether you're from academia, industry, startups, or government labs, this is your stage to meet peers, spark collaborations, and get feedback from global experts.

Scope of Topics (but are not limited to)

- AI-native RAN & O-RAN
- THz / sub-THz
- Reconfigurable Intelligent Surfaces
- Non-Terrestrial Networks (LEO / HAPS)
- Edge AI & Federated Learning
- Semantic Communications
- Digital Twins

- Spectrum Sharing & Sensing
- Network Security & Quantum-Safe 6G
- Sustainability / Green 6G
- Timing / Localization
- Ultra-Reliable Low-Latency at Scale Testbeds & Trials
- 6G for FinTech / Smart Cities / Industry 4.0

Important Dates

Registration & Poster Submission Deadline	Notification of Acceptance	Exhibition Day
November 21, 2025	November 27, 2025	December 3, 2025

Why you should join?!

- No Registration Fee
- Compete for the Best Poster Award
- Showcase Your Innovation
- Gain Valuable Feedback from Experts
- Enhance Your Research Visibility
